## “The natural power of marine elements”

We are increasingly aware of the importance of maintaining a physical and mental balance that helps us cope with the stress of routine. For this reason, the **Servigroup Montiboli Hotel** offers you a pleasant Wellness experience in an incomparable natural environment facing the sea.

Enjoy a health and well-being service, based on the properties of thalassotherapy, with the natural products of **Thalgo** Laboratories, the prestigious French Riviera *maison* known internationally for transferring the properties of the Mediterranean to your skin in an organic way.

### SPA & Wellness

The pleasure of thalassotherapy. In our facilities facing the sea you will find the key to disconnection, benefiting from the natural properties of the waters.

- SPA CIRCUIT resident hotel guests..... 18€
- SPA CIRCUIT non-resident hotel guests.....36€

(Steam bath, footbath, biothermal showers, recreational pool, jacuzzi and sauna in a natural environment a few steps from the beach)

**OPENING TIMES: 11:00 a.m. - 8:00 p.m.**

Complete your experience by visiting our gym (free access for our guests)

## Massages

**RELAX MONTIBOLI (45')**..... 94€

Exclusive relaxing massage especially for those who wish to disconnect from the routine and eliminate physical and mental tension.

**MONTIBOLI DELUXE (100)**..... 159€

A facial and body care that will make you enjoy an exclusive experience of deep relaxation, leaving your skin radiant and your body in total harmony.

**PRANA (50')**..... 94€

Inspired by Marma therapy and traditional Indian Ayurveda for inner balance.

**MONOÏ (50')**..... 100€

Evocative oil from French Polynesia without a greasy finish that hydrates and nourishes the skin.

**WONDER OF THE ARCTIC (50')**..... 100€

Inspired by the Nordic Deep Tissue technique, it uses spheres that eliminate stress by realigning the deepest layers of the skin.

**VOLCANIC BREEZE (50')**..... 94€

A deep tissue massage using hot stones, inspired by the power of fire and the tranquillity of the Mediterranean.

**MONTIBOLI SWEET CALM (50')**..... 94€

A deeply relaxing massage with gentle pressure, designed to relieve tension and promote rest. Ideal for expectant mothers.

## Body treatments

The skin is the suit that will always accompany you. After analysing your tissue, our professionals will recommend the ideal treatment for your body with the exclusive benefits of **Thalgo's** natural products.

**TIRED LEGS FRIGI (45')**..... 64€

Get rested, light legs and a stylized silhouette.

**INDIAN SEA RITUAL (100')**..... 176€

Inspired by Ayurveda and the science of Marmas, it relaxes tension points linked to daily activity. Enjoy the nutritional power of red algae and indica essential oils.

**PACIFIC ISLANDS RITUAL (90')**..... 176€

A trip to the most beautiful islands in the Pacific in which you connect with the water under the rays of the sun. Enjoy the remineralizing power of Lagoon Seaweed seasoned by the soft aroma of Monoï in a moment of total disconnection.

## Body peels

GINGER PÂTÉ (50').....84€

The ginger peel, inspired by traditional Indian Ayurveda, gently exfoliates the body, leaving the skin velvety and radiant.

GOMMAGE OF THE ISLANDS (50').....84€

Two-phase peeling with white Bora Bora sand, sea salt, oil and coconut shell that smoothes, softens, nourishes and comforts the skin in the Polynesian style.

## Facial treatments

Each skin is different. Let yourself be advised by our specialized staff who will provide you with the ritual that best suits your skin's needs, by using **Thalgo's** exclusive natural products.

SPIRULINE BOOST RITUAL (60').....103€

Marine shock plan to mitigate the effect of pollution on your skin and recover a fresh and rested complexion.

COLD CREAM MARINE RITUAL (55').....103€

High-precision repairing effect for sensitive skin with redness or lack of nutrition, based on marine extracts.

HIDRA-MEN RITUAL (55').....103€

Rehydrates and regenerates male skin, eliminating signs of day-to-day fatigue.

SILICIUM SUPERLIFT (70').....149€

The most exclusive of our treatments. Correct the loss of firmness of the oval area and neck with lifting effect massage techniques for a total repair.
